

State of the LOONS

OCTOBER 30, 5:30-7 PM

MARTIN'S POINT
HEALTH CARE

MAINE 
AUDUBON

Martin's Point Health Care Community Center
153 US Route One, Scarborough, ME

The Common Loon is an iconic symbol of the Maine summer, and Maine Audubon has been working to understand and protect them for more than 35 years.

Join Nick Lund as he discusses the physiology of the Common Loon as well as threats to loons and the work Maine Audubon is doing to protect them.

Nick Lund is Maine Audubon's Network and Outreach Manager. He's a native of Falmouth, Maine and writes regular columns on birds and birding for the National Audubon Society.
